

Calling all Kure Beach lovers!

Commemorative opportunities are available along the boardwalk. A Bluefish, made from Corian material, is embedded in a board that runs below the railing along the boardwalk. Each Bluefish holds up to 3 lines of sandblasted print.

Here is your chance to:

- Remember a loved one
- Celebrate a special occasion
- Give the kids/grandkids a place to see their name in print
- Advertise your business
- Leave a legacy

In an effort to extend the lifespan, placement of Bluefish along the Boardwalk has changed. (See above photo for example.) The Town cannot guarantee a location for placement of Bluefish.

Profits from this fundraiser will assist with activities and entertainment at the Ocean Front Park and maintenance of the Bluefish, swings, and benches.
