

Zone AE
 Zone AE is the flood insurance rate zone that corresponds to the 100-year floodplains that are determined in accordance with the National Flood Insurance Act. Base Flood Elevations derived from the detailed hydraulic analyses are shown at selected intervals within this zone. Mandatory flood insurance purchase requirements apply.

Zone VE
 Zone VE is the flood insurance rate zone that corresponds to the 100-year coastal floodplains that have additional hazards associated with wave surge. It is determined by the detailed hydraulic analyses with shown selected intervals within this zone. Mandatory flood insurance purchase requirements apply.
