If the recycle bin is lost or missing, the customer must pay \$15 to receive a replacement bin. PROPERTY OWNERS are assessed a charge on their water bill of \$4.52 per month, PER RECYCLE BIN, for each household. **IMPORTANT: Because the bins are considered Town property, property owners and renters must leave the recycle bin with the property upon sale of home or a new renter occupying the property.**

The following is additional information on recycling in Kure Beach:

- Waste Management is contracted by the Town to pickup curbside recycling bins.
- Recycle pickup is conducted every Monday except for New Years Day or Christmas Day, when they fall on Monday. Then, recycle pickup will be conducted on Tuesday.
- Recycle bins MUST be placed out on your curb by 7:00 a.m. on the day of pickup, and you must return your bin to your property by midnight on the day of pickup.
- Do NOT use plastic bags. Brown paper grocery bags and small cardboard boxes can be used occasionally for overflow recyclables, if necessary.
- A RECYCLE DUMPSTER is located at the Moose Lodge in Wilmington, if you have a large amount of recyclables you'd like to dispose of all at once.

Directions to Moose Lodge – Going over the Snow’s Cut Bridge, continue north until you come to where Carolina Beach Road intersects with College Road (Monkey Junction). Take a left at that intersection, going northwest on Carolina Beach Road About ½ mile up Carolina Beach Road, you will pass the Moose Lodge on your left. You’ll need to make a U-turn to get to the lodge. The recycle dumpsters are located at the front of the building.
