

MINUTES FROM THE KURE BEACH
COMMUNITY CENTER COMMITTEE
SPECIAL MEETING RE: BARBECUE

August 22, 2006 - 7 P.M.

Those present for this special meeting were: Frances Regan, Mary Vann, Jeannie Gordon, Jerry Smith, Helen Wilson, Pat Slachetka, Pat Blasko, (who has volunteered to be a backup in all areas), and Marti Fuller (filling in for Tim).

Because Frances was not going to be able to be at the upcoming barbecue, she wanted to update everyone on their duties and responsibilities in order for things to go smoothly. Frances handed out a very detailed worksheet which gave everyone's duties but also had individualized the sheets for each volunteer or committee member. The worksheets are going to be a big help for that day.

Mary Vann will be the person responsible overall and most others know their duties. Time schedules, duties, etc. were carefully detailed. Pat Slachetka also will not be able to help at the barbecue since she will be at the mountains for two weeks (August 26 to September 9).

The meeting ended shortly before 8 p.m.

Respectfully submitted by:

Patricia Slachetka
