

Memorandum

To: Kure Beach Town Council
From: Chuck Keener, Shoreline Access and Parking Committee Chairperson
Date: 12/13/05
Re: Shoreline Access and Parking Committee

The Parking Committee met on Tuesday December 13, 2005.

The following members were present: Mac Montgomery, Tom Barber, Bo Goodman, Chuck Keener, Peter Russo, Mario Paparozzi and Tony Gonsalves.

Restroom Facility 2005-2006 CAMA GRANT

The application for the public restroom facility at Joe Eakes Park has been approved by CAMA. However, the US Army at Sunny Point has denied our use of the park to build any structure above ground level that does not meet certain "blast" specifications. CAMA recommended that we refuse the grant and reapply for a new grant. The Committee will address Town Council at December meeting requesting a letter to CAMA refusing the grant.

Emergency Vehicle Entrance at N Avenue

Although this was a beach access, the project was given to Beach re-nourishment coordinator.

The Committee recommends that in the future the Town Council, as a whole, be involved in all changes between overlapping committees/departments.

Parking Problem in B-1 District (continued from July)

No action to be taken until all scheduled studies by Department of Commerce and others are complete.

Signs

A signage proposal has been prepared by Peter Russo and is attached to this report. The committee will coordinate with Public Works, the Police Chief, and make a presentation to the Council on procurement and placement of signs

New Business

1. The Committee agreed to accept the resignation of Mac Montgomery as Chair effective December 13, 2005, as Mac was elected to Town Council.
2. The Committee unanimously agreed to have Chuck Keener move from Vice-Chair to Chairman effective December 13, 2005. The committee also elected Bo Goodman to serve as Vice-Chair.
3. The Committee will address Town Council at January meeting requesting the Corral parking area be designed as an official Town parking area.
4. A parking map proposal was submitted to the Committee by Tom Barber. His proposal is attached to this report.
5. The Committee is also studying more parking availability at several locations. Some areas to be investigated are on streets J, L, I, and Community Center.
6. The Committee will be investigating where to relocate the Rest Room that was turned down by Sunnypoint.
