OLD BUSINESS:

- 1. The Committee still needs to fill one vacancy with a permanent member.*
- 2. Sandy Whaley's resignation was accepted by the Council.*
- 3. The Council approved the placing of a "P" parking sign at the Town Hall.*
- 4. Pedestrian Crossings. DOT can supply the signs designating a pedestrian crossing. Tony obtained a picture of the sign DOT uses and it appears that we will not have to purchase a sign for the center of the road.*
- 5. Corral parking. Working with Sonny on obtaining a right of way to create a one-way into the lot and one-way out.*
- 6. Parking Spaces. Tony will talk to Sonny about painting the white lines showing the parking spaces, and blacking out the unnecessary lines that are presently on the road.*
- 7. TDA/Parking Map. The Committee will need to meet with the person who is the Chair of the Marketing Committee. Dick and Tony will set up a meeting with the new Chair to discuss creating a parking map showing where all the parking locations are and which ones have handicap access for parking and those that have handicap parking along with beach access. The Committee hopes to have this map available by Memorial day.*

NEW BUSINESS:

- 1. Disc Golf Parking, by Joe Eakes Park. The Committee has the rendering of the Disc Golf locale and where the parking will be located. The parking will be by the softball diamond and the proposed amount of parking is 90 spaces. Priscilla and Jim will measure the area to confirm the amount of spaces, how many could be handicap, etc. They will check with Ken Withrow, who has been working on this project and created the drawing.*
