- There was once a banner for announcing beach sweep and we will inquire if it still exists

Town Facebook Page

- TOKB website is going to be converted to a mobile friendly version
- TOKB will also be starting a FB page for the purpose of communicating with residents/owners during storms/emergencies
- the goal will be to get people signed up for the FB by 6/1

New Business

David expressed desire to join Zoning Committee and is concerned of potential conflict. It was discussed that people have served on both before, so it should not be a concern.
