TOPIC	KURE BEACH BIYCLE AND PEDESTRIAN PLAN	
	<p>The Town of Kure Beach, Alta, and the WMPO kicked off development of a bicycle and pedestrian plan for the Town of Kure Beach in September 2021. The plan is intended to aid the Town in the development and prioritization of its bicycle and pedestrian infrastructure needs. A kick-off meeting to discuss the Town’s existing bicycle and pedestrian infrastructure and develop a timeline and strategy for the online public input map and a 3-day charrette activity was held in mid-October with the KB Bike Ped committee, town staff, WMPO rep, Alta (consultants.). Preparation of materials for the 3-day charrette to be held November 30 – December 2, including digital map to be provided for comments with QR code.</p>	

November 30	<p>“Drop-in” format open house with tables and posters with information covering the scope and purpose of project including benefits of a bicycle-friendly and walkable community, information addressing common concerns such as safety, crime and property values, rules of the road information, using a base map mark-up station for commenting on existing conditions, target areas for improvement, potential connections to neighboring areas and other key opportunities and constraints, a comment form station for people to fill out a hardcopy version of the comment foam and leave more detailed comments if needed.</p>	
December 2	<p>“Drop-in” format open house showcasing draft recommendations maps and renderings of ideas of how projects could look. Also, providing an opportunity for residents who were unable to attend the first open house to learn more about the project and provide input.</p>	
Next steps	<p>Online survey ranking public preference for individual proposed projects to launch in January capturing an even wider audience than our public meeting and offer some more direction on plan recommendations.</p>	
	<p>Development of draft plan to include top project recommendations in winter 2022</p>	
	<p>Presentation to Kure Beach Town Council in spring 2022</p>	
	<p>Presentation to WMPO Board in spring 2022</p>	
Adjournment	<p>7:00 pm</p>
