Additionally, Ed White announced his resignation from the Committee and will attend the May meeting. Liz Kiwaha will take over the duties of secretary.

Minutes from March Meeting were approved unanimously.

Old Business

Adopt-A-Beach

- No new sign-ups.
- Public recognition of long-standing members is pending. Some ideas were to use website, Island Gazette, and/or a certificate.
- The possibility of creating a sign for those who participate, but some do it short-term so that idea was declined.
- Liz will take over the lead on this program.

Beach Booster Program

- Bledsoe Enterprises applied for two more signs at 1045 S and 1207 S. These were approved based on prior applications.
- The example on the website needs to be changed. The example has a typo

Ocean Life Project

- No new business, or members

Beach Manners

- The document was approved.
- Magnets for upcoming events are being printed.

Sign Replacement

- Randy is doing inventory.
- Will be done twice a year.
- All signs have been ordered and there should be some inventory for when needed.
- Public Works will put up the signs when the replenishment is completed.

Anniversary

- Liz created a sign-up sheet.
- The SLABP Booth will have recycled art, magnets, and info
- Will inquire about a canopy.
- QRs for the Manners, Booster Program and AAB have been created.

Beach Sweep

- Set up will be at Oceanfront Park
- Table, Bags, and gloves will be distributed
- There will be a "scavenger hunt" for kids/families to complete
- Pat T will coordinate with Sunrise Broadcasting on announcing winners
- Will need to encourage people to go further down the beach.
- Will need to be aware of the beach replenishment.

New Business

New Applicants

- Applications were reviewed and the committee nominated Don Campbell and David Hall.
- David's application is older so we will have to make sure he is still interested. If he is not interested, Connie Mearkle is the next choice

Public Input

- Dan called in and advised he is an Ocean Dunes owner. He asked how the verbiage on the Dune signs would be changed. He was interested in having the sign more clearly outline the enforcement/penalty. Dan was advised that SLABP would be responsible for that.

Meeting was adjourned at 6:15 PM

Next Meeting – 05/03/2022

Respectfully submitted
Ed White, Secretary
