Seascape Classes

At Kure Beach Community Center

Come and create a stunning Seascape Window using your beach treasures or ours! Seascape pictures require no experience. You will design your one-of-a-kind 8x10 Resin Seascape Window using an array of materials, including sea glass, starfish, various shells, and other beach finds. Feel free to bring your own sea glass and shells for a personalized piece! **RESERVATION/TICKETS REQUIRED. (All Supplies included)**
