## Final: Kure Beach Stormwater Committee

DATE	November 3, 2025
------	------------------

TIME	6:00 PM
------	---------

MEETING CALLED TO ORDER BY	David Heglar
----------------------------	--------------

### IN ATTENDANCE

Jim Craig (Beachwalk), Bob Cooil, Assistant Vice Chair (KB Village), David Heglar, Commissioner, Paul Markson (Seawatch), Glen Peddle (Live Oaks Village). Wayne Moody (Kure Estates)

Also, Xavier Brodbeck and Pam Brodbeck attended the meeting as concerned citizens.

### CALL TO ORDER

David called the meeting to order at 6:00PM and a quorum of members was present.

### SELECTION OF CHAIRPERSON

In October, Tracy Mitchell communicated her resignation from the committee and from the chairmanship. No committee members at the meeting expressed an interest in volunteering for the chairpersonship. David indicated that we need to select a chairperson by the December, 2025 meeting.

### REBID OF STORMWATER OUTFALL PROJECT

Only two bids were received for the remediation of the nine remaining outfalls. Since three bids were not received by the deadline (a 3<sup>rd</sup> bid was received subsequent to the deadline), by statute, a new posting needs to be initiated. Posting will be made public and open for a week. Bids will close on Wednesday, November 12.

The outfall work needs to be completed before the United States Army Corps of Engineers (USACE) beach replenishment (Coastal Storm Risk Management (CRSM)) project commences in Kure Beach. The CRSM project completion in Kure Beach is anticipated to be completed by the end of January to early February. The start of the outfall work is targeted for the end of the November.

### PUBLIC COMMENT

The Brodbecks inquired about the stormwater plan for the town and whether it was holistic in nature. David indicated that homeowners were responsible for their own private property solutions. David recommended that they contact Jimmy Mesimer if they have questions about water remediation.

### APPROVAL OF MINUTES

Bob Cooil requested approval of the September 8, 2025 meeting minutes and his motion was seconded by Glen Peddle. Motion was approved.
