Just a friendly reminder as we have now entered the political season for our local elections. Under North Carolina Law it is a class 3 misdemeanor for any person to steal, deface, vandalize, or unlawfully remove a political sign that has been lawfully placed*. Though you may not agree with every candidate or fellow citizens' political affiliation, we must not act in an unlawful manner. The Kure Beach Police Department asks that we all respect each other's property and opinions and continue in our common goal to make our community a safe and wonderful place to live.

Kure Beach Chief of Police
Michael P. Bowden
