

Calling all Kure Beach lovers!

Commemorative opportunities are available along the boardwalk. A Bluefish, made from Corian material, is embedded in a board that runs below the railing along the boardwalk. Each Bluefish holds up to 3 lines of sandblasted print.

Here is your chance to:

- Remember a loved one
- Celebrate a special occasion
- Give the kids/grandkids a place to see their name in print
- Advertise your business
- Leave a legacy

In an effort to extend the lifespan, placement of Bluefish along the Boardwalk has changed. (See above photo for example.) All Bluefish will eventually be transitioned to the new placement. The Town cannot guarantee an exact location for placement of Bluefish.

Profits from this fundraiser will go towards activities and entertainment at the Ocean Front Park and maintenance of the Bluefish, swings and benches.
