Dear Business & Neighbors:

STARZ would like to film scenes for the Network series *Hightown*, in your neighborhood at **the Seven Seas Inn, 130 Fort Fisher Blvd N, Kure Beach, NC 28449** and at **the Parking Lot at 104 Fort Fisher Blvd** on **Wednesday, May 18th**. The scenes involved would require intermittent traffic control and street closures in various blocks, between 6am - 11pm. Please see the attached permit applications on the back of this letter, and accompanying page for full details on affected streets and parking areas.

The New Hanover County Sheriff Department and Traffic Flaggers will be on site to assist with traffic and safety.

Residents, guests, and customers will still be able to access their destination although at times with delays and/or displaced parking; we apologize in advance for these disruptions and are happy to assist in any way we can.

A representative from the location department will be on-set at all times to assist with any needs or issues that may arise.

In our interest to keep the community safe, all crew members have been and will continue to be tested for Covid-19, and face masks will be worn at all times.

We realize that we are guests in your neighborhood and are striving to complete our work in a safe, efficient and timely manner, and we thank you in advance for your patience and understanding.

Sincerely,

Mike Hewett
